

PIIAC GOVERNMENT AFFAIRS

VOLUNTARY PAC CONTRIBUTION FORM

The future of our industry is greatly dependent upon our ability to become engaged in the political process. The Colorado State Legislature regularly considers legislation that directly affects the livelihood of independent agents – from mandatory auto insurance, taxes, healthcare, data, privacy, cyber and workers compensation to the insurance regulatory system.

We're fortunate to have a very strong state government affairs team working at the Professional Independent Insurance Agents of Colorado (PIIAC). However, we can't do it alone. It is vital that we, as small business owners and agents, play an active role in shaping the public policy debate and ultimately the laws that come out of the Colorado Legislature.
